**A MESSAGE FROM
ANDREW WOMMACK**

PRESIDENT OF CHARIS BIBLE COLLEGE

Paul told Timothy to take the things that he had learned and to commit them to faithful men who would be able to teach others (II Tim 2:2). The Lord has imprinted this scripture on my heart, but with just a few exceptions, I have been frustrated in my attempts to accomplish this.

I believe Charis Bible College is a big step toward the fulfilment of this goal. Charis Bible College was set up in South Africa as an extension of Charis bible College-Colorado. The college offers a good foundation in basic Bible doctrines and concepts, with a special emphasis on God's grace and the believer's right standing with Him by faith. Everything that we need to prosper in the Christian life comes through the knowledge of God's Word (ii Peter 1:2,4). It is our goal to share God's Word in such a simple, practical and anointed way that those who are trained will be forever changed and able to change others with the life giving truths they receive from God's Word.

THE CORRESPONDENCE COURSE

The Correspondence Course enables students to receive the teachings of Charis Bible College in the comfort of their own environment, and to study at their own pace. It is suitable for Churches and Home Groups as well as individuals.

The course is divided into three terms. Each term consists of eight modules, taught by various instructors.

Each module is made up of eight lessons, of 50 minutes duration, and is supported by a study guide containing outlines for each lesson. Progress is assisted and tracked by a test which is taken at the end of each module.

Upon completing the entire Correspondence Course students are invited to join the annual graduation ceremony and receive their certificates with other First Year Graduates.

Students who have successfully completed the Correspondence Programme are welcome to apply to join Charis Bible College as fulltime second year students.

CHARIS BIBLE COLLEGE

Charis Bible College SA is located in Heidelberg, Western Cape on the corner of the N2 and Barrydale turn-off.

Correspondence Students are welcome to visit the college between 9 am and 1 pm Monday to Friday, during term time.

The most difficult part of any Correspondence Course is to keep motivated and on track with studying alone, but CBC wants to encourage all students, both full-time and part-time to successfully study the Word of God and walk in the destiny God planned for them!
